

Hello Teju,

My name is Jen Page and I have taken over for Jenna Jones here at SOME Senior Services as the new Volunteer and Food Program Coordinator.

Jenna told me that you were able to donate 15 baskets and trays for our Christmas Basket Program. She also informed me that they were all gorgeous. Thank you so much for your donation! Being able to support seniors for the holidays is something we could not do without help from community members such as yourself. I can honestly say that the seniors are all very grateful and these baskets certainly made their holiday much brighter!

Please pass along my thanks to anyone else who may have helped with getting the baskets together. I hope you have a wonderful New Year and I hope we have the opportunity to work together in the future!

Warmly,

Jen Page
